

STAR WARS CAL PANEL: R2-D2

Star Wars CAL R2-D2

Recommended Hook: Size G6/4 mm

Yarn Suggestions

Vanna's Choice - Black, Colonial Blue,
Scarlet, White

I Love This Yarn - Metallic Black (Background)

**Color Note: Because of the dark background of this square, you may want to change the color you use for "Black" so that the design stands out against the background. I prefer Charcoal Grey or Dark Grey Heather.

IMPORTANT NOTES:

If you are using Straight HDC, ignore the arrows on the graph; these are designed for use with the C2C technique.

To do as I do, chain 52 (50 + 2 turning chains). Following the arrows on the left/right, start in the 3rd ch space from the hook and begin row 1. Work 2 HDC per block on the graph. Work each row twice. The FIRST time you work a row, read the graph from right to left. The SECOND time you work a row, read the graph from left to right. Then continue onto the next row using this same technique.

IMPORTANT NOTES:

These written instructions include color/stitch counts for doing 2 HDC per block. **HOWEVER**, the rows are not doubled here. To double the rows by reading the written instructions only, follow the directions below.

The **FIRST** time you work a row, read the instructions from left to right. The **SECOND** time you work a row, read the instructions backwards from right to left. Then continue onto the next row using this same technique.
