### IMPORTANT NOTES:

If you are using Straight HDC, ignore the arrows on the graph; these are designed for use with the C2C technique.

**To do as I do**, chain 52 (50 + 2 turning chains). Following the arrows on the left/right, start in the 3<sup>rd</sup> ch space from the hook and begin row 1.

Work 2 HDC per block on the graph. Work each row twice. The FIRST time you work a row, read the graph from right to left. The SECOND time you work a row, read the graph from left to right. Then continue onto the next row using this same technique.

These written instructions include color/stitch counts for doing 2 HDC per block. **HOWEVER**, the rows are not doubled here. To double the rows by reading the written instructions only, follow the directions below.
