I recommend using a size D/3.25mm hook.

I recommend worsted- or aran-weight yarn in these colors:
skin tone, blue, light blue, and yellow

Continuous Rounds

If desired, you can work these patterns in continuous rounds, rather than joining.

The instructions are written for joining, but feel free to use the method you are most comfortable with!

Finishing Steps

Use a yarn needle and the tail ends of the yarn to carefully sew the arms onto the body between rounds 11 and 12. If desired, you can stitch the openings at the tops of the arms flat before sewing the arms to the body.

Sew the hair piece to the doll’s head.

Use the tail ends of the yarn and a yarn needle to carefully sew the collar/sleeve detail piece above the sleeves and around the doll at the top of the dress. Start at the back/center and work around the shoulders of the doll. See photos for placement if necessary.

Carefully sew the dress detail piece to the doll’s body. Make sure to sew the two ends of the dress detail piece together where they meet at the doll’s back.

Sew the crown to the top of the doll's head, making sure it is nice and snug.

Use a yarn needle and a strand of YELLOW yarn to embroider on eyebrows.

Use a yarn needle and a strand of BLACK THREAD to embroider on eyelashes.

Weave in all ends.
