### **Finishing Steps**

Use a yarn needle and the tail ends of the yarn to carefully sew the dress detail pieces to the doll's body. See photos for placement if necessary.

Sew the arms onto the body between rounds 11 and 12. If desired, you can stitch the openings at the tops of the arms flat before sewing the arms to the body.

Sew the sleeve detail pieces to the body, placing them from the front to up and over the top of the doll's arms.

Sew the bun hair piece to the main hair piece. If desired, you can insert a little bit of stuffing into the bun to help it keep its shape before sewing it on completely.

Sew the whole hair piece to the doll's head.

If desired, you can sew a strand of YELLOW yarn around the base of the bun.

Use a yarn needle and a strand of BROWN yarn to embroider on eyebrows.

Use a yarn needle and a strand of BLACK THREAD to embroider on eyelashes.

Weave in all ends.
